Call to Order and Roll Call

The meeting was called to order at 8:30 am.

Discussion on Resolution and Land & Water Reserve

It was noted the resolution was approved by City Council on July 28th.

Lorraine Foelske discussed the Land & Water Reserve designation process. The Task Force identified a target approval date of January 2027, with May 2027 as a backup date. The Task Force also discussed other milestones in the process including boundary work, ecological assessments, and finalizing the management plan.

Other Business

The Task Force discussed the importance of completing boundary and survey work, gathering ecological data, and defining site uses early in the process to support the LWR designation. Additional conversation focused on funding needs, coordination with partners, phased public engagement, and identifying long-term management and partnership opportunities.

Public Comment

No members of the public were present to comment.

Adjournment

The meeting adjourned by consensus.
