Call to Order and Roll Call

The meeting was called to order at 8:30 am.

Introductions

The meeting began with Foelske introducing Angella Moorehouse, who will serve as the primary contact with INPC while she is on maternity leave.

Updates on Land & Water Reserve process

Foelske provided updates on the LWR process, noting that the City is finalizing boundary survey job specifications and preparing to release the RFP. Foelske also shared an updated project map and indicated that the site will likely consist of three parcels rather than two due to a drainage feature.

Updates on prior action items

Osing reported that a draft Memorandum of Agreement with Augustana has been received and reviewed, with plans to present it to City Council in January. Osing also shared a draft webpage with the Task Force, which includes background information, an overview of the LWR process, and anticipated next steps. Osing noted the webpage will continue to be refined.

Other Business

The Task Force discussed Augustana's proposed community engagement strategy. Additional discussion focused on tools to support engagement, including the City's website. The Task Force also discussed the potential for a press release to announce the Augustana partnership.

Public Comment

No members of the public were present to comment.

Adjournment

The meeting adjourned by consensus.
